Introducing Corey and Dana Russell

Corey Russell serves in senior leadership at the International House of Prayer in Kansas City and he is the director of the Apostolic Prayer and Prophetic Preaching Program at the International House of Prayer University. Currently he spends the majority of his time and energy in the prayer room giving himself to the place of prayer, study and fasting. In addition to that he travels on weekends, radically calling the church back to her first love through prayer and fasting. Corey is convinced that the great need of the hour is the love and knowledge of God. Corey Russell will be coming to Perth with his wife Dana who is a worship leader at IHOP and she will be leading worship at the conference. They reside in Kansas City with their two daughters.
